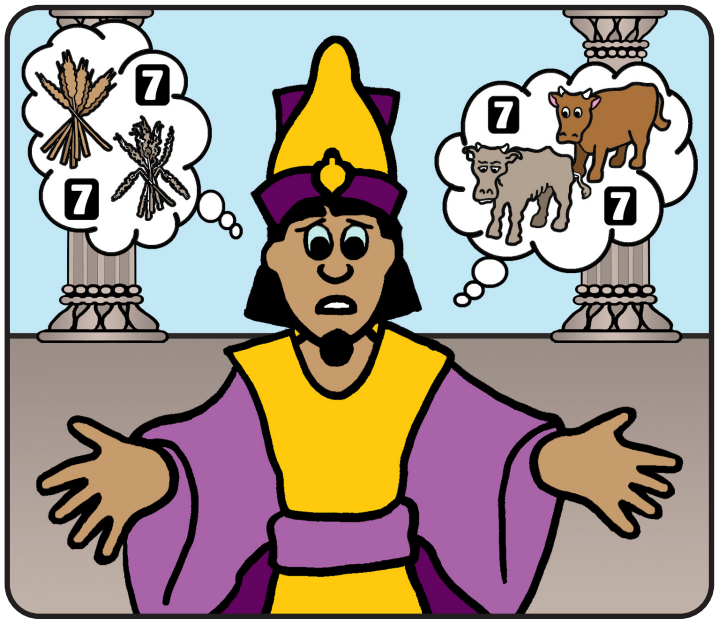
God Tells Us What to Do

Today's Bible Story is from Genesis 41:15-43

Pharaoh was upset by strange dreams. He hoped someone could explain what they meant. So he called for Joseph.



Joseph listened. He told Pharaoh that on his own, he couldn't explain these dreams. But God could help him do it.

Joseph said that both dreams meant the same thing. There would be seven years of plenty. Then, seven years of hunger.

Pharaoh chose Joseph to be a ruler over Egypt. Because of this, there was enough food for all when the bad years came.
