Bad Things Happen

Today's Bible Story is from Exodus 9:13-26

Moses said to Pharaoh, "Let my people go! If you keep them as slaves, bad things will happen. God wants his people to be free!"

"Pharaoh," Moses said, "if you don't listen, a big storm will teach you a lesson." But Pharaoh didn't care what God wanted.

Moses lifted his staff up to heaven. Loud thunder rumbled. Heavy balls of hail began to fall. Lights of fire flashed in the sky.

The hail fell everywhere, except for one place. Where God's people lived, no hail fell at all.
