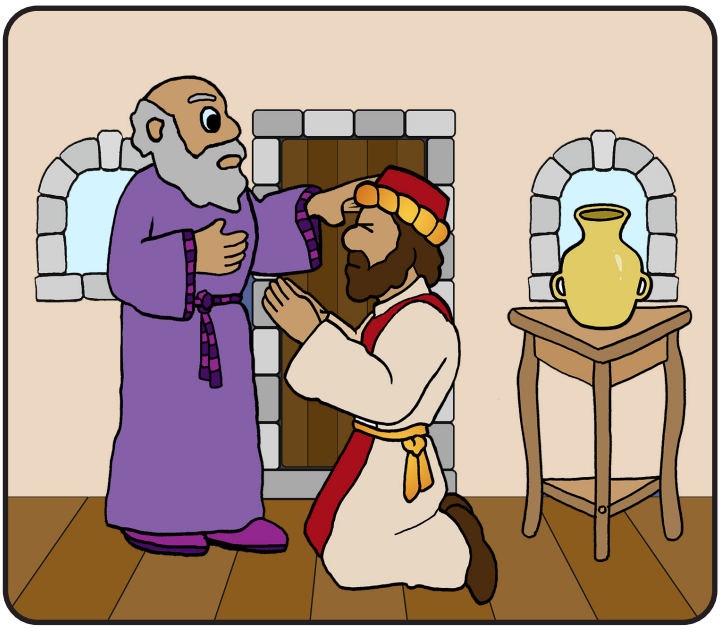
Jesus Changes Us

Today's Bible Story is from Acts 9:1-19

Saul was traveling to a big city. He planned to find people who believed in Jesus. He wanted to put all of them in jail!

God did not like Saul's plan. As Saul walked, a light flashed in the sky. Jesus called, "Saul, why are you hurting me?" Saul fell down.

When Saul got up, he was blind. Jesus had told him to continue to the city. So Saul's friends had to lead him the rest of the way.



Ananias found Saul and touched his eyes. Suddenly, Saul could see! From that day on, Saul (now called Paul) served God.
