

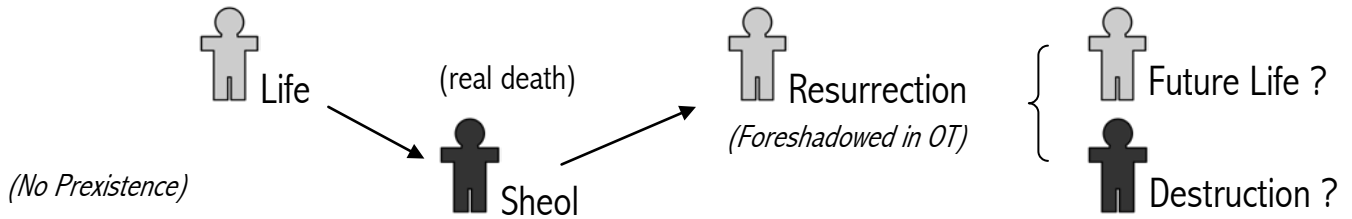

# Graphic Models: Four Descriptions of Human Existence

© 2014 – Steven E. King, Sola Publishing (www.solapublishing.org). Permission granted to photocopy for congregational use.

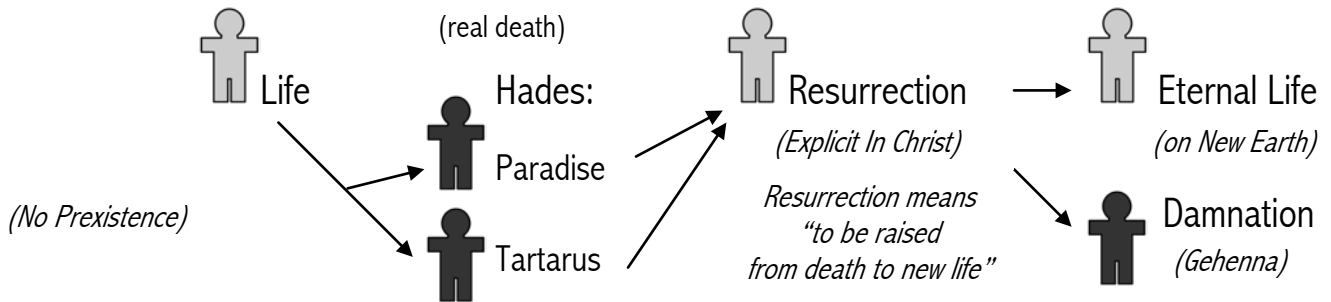

## The Biblical Old Testament View

(a united body and soul constitute the whole person)

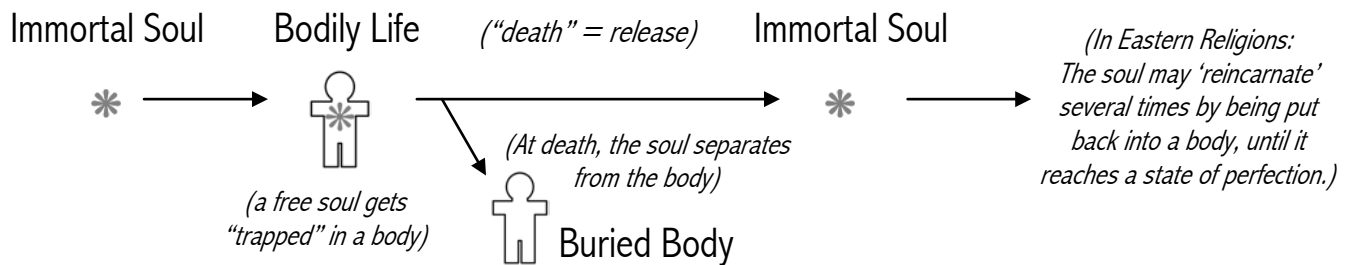

## The Biblical New Testament View

(a united body and soul constitute the whole person)

## The Philosophical Greek View

(false distinction: the soul is the "real" person, separate from the "shell" of the body)

## The Popular Modern Greek-Christian View

(false distinction: the soul is the "real" person, separate from the "shell" of the body)
