Sola Publishing is pleased to announce the release of its new **Online Worship Resource Site**. This new web resource incorporates what we have already been providing in our weekly Scripture Insert subscription* and expands it to include much, much more!

Our Materials are ...

- Biblically Sound
- Theologically Orthodox
- Explicitly Trinitarian
- Historically Grounded
- Liturgically Sacramental
- Simple, Flexible, and Useful

Sola's *Online Worship Resource Site* is a subscription-based program, reasonably priced, based on a congregation's average worship attendance (see back side of this brochure). We have intentionally kept the cost of this new resource to a minimum, to be able to serve congregations with limited financial resources. Subscribing congregations will be given their own access code.

A Note on Sola's Recommended Lectionary:

Sola Publishing recommends the use of the version of the *Revised Common Lectionary (RCL)* as found in the *Lutheran Service Book (LSB)*, from Concordia Publishing House (used by permission). Lectionary inserts and other worship-support products produced by Sola Publishing are based on this version of the RCL. Used by permission.

Four Primary Areas to the Site:

WEEKLY WORSHIP

In this section you will find individual worship planning pages for each Season and Sunday of the lectionary year, including lesson inserts, prayers, text studies and hymn suggestions. Pastors and Worship Committees will be able to download printed planning sheets for the coming season, for the planning of hymns and services. Active subscribers are granted permission to reproduce these materials for local congregational use.

LITURGIES & SERVICES

In this section you will find liturgies, inserts, and orders of worship for regular and occasional services, copy-ready for duplication. These downloadable services and inserts are laid out as preformatted PDF files, similar to the pages you would find in a book of worship. They may be printed and used by subscribers as needed.

BULLETIN TEMPLATES

In this section you will find editable document templates for various settings of the liturgy, to use as the basis for creating bulletins. These include the standard settings from the LBW and the new ReClaim hymnal, as well as generic orders of service. Using these templates, all you need to do is type in your local information each week.

HYMNS & MUSIC

In this section you will find a limited selection of music for use in worship, drawing primarily upon texts and music in the public domain. The downloadable PDF arrangements were written with simplified chording and bass lines, so that they may be accompanied by simple piano, guitar and/or bass guitar. There are also original hymn texts based on weekly Gospel texts, set to familiar tunes.

The Sola Online Worship Site will continue to grow over time, as more resources will be added each month, always allowing you to get a jump on planning for coming seasons!

Some of the many Weekly Resources provided:

a) Lectionary Scripture Inserts

The weekly Scripture readings will be preformatted, print-ready for duplication. Both a half page (smaller print) and full page (larger print) versions will be provided.

b) Lectionary Plain Text Files

Editable rtf files of the lectionary readings will be provided for those who would like to cut-and-paste into their bulletins, allowing greater flexibility in creating bulletins.

c) Bulletin Art

A weekly full-color art piece will be provided for use on bulletin covers, along with an easily reproducible black and white "logo-style" clipart.

d) Children's Bulletins & Puzzles

A reproducible pdf children's bulletin insert will be provided for young children, corresponding to the Sunday's lessons. For older children (and adults) a word-search puzzle insert is based on the weekly Gospel lesson.

e) Worship Planning Pages

A reproducible pdf sheet for worship teams will offer lectionary summaries, hymns suggestions from a variety of hymnals, and Prayers of the Day for each Sunday.

f) Prayers of the Church

Multi-petition editable Prayers of the Church will allow congregations to add in their own local petitions to text-related and global prayers.

g) Weekly Devotionals

Short devotional resources, based on the texts for the week, will be available to reproduce as inserts, or to be used as sermon idea-starters.

h) Weekly Text Study

For each week's lessons, we will provide a sheet of thoughts, questions, and word studies for use as group text study, or to give some ideas for pastor's sermon preparation.

i) PowerPoint Template

Each week, a blank color PowerPoint template is provided for congregations to use as a background for projected services.

When will we be able to see the site?

During the 2013 Advent–Christmas season, Sola is making available a free “open access” time for people to check out the site live. During this period, visitors will be able to see a limited portion of all four main portions of the site, and make use of weekly materials.

Those who currently subscribe to Sola’s Weekly Scripture Inserts will be encouraged to switch to the new Sola Online Worship Resource Site, which will include the same pdfs they already receive, plus a wealth of additional materials. However, those who want to only purchase Scripture Inserts by themselves, will still be able to do so.

The full site will go online in January 2014, with all the features available to subscribers.

When will we be able to sign up?

Actual yearly subscriptions will begin in January 2014, but people may sign up during the free “open access” time, or at any time thereafter.

We are already taking subscriptions for the new site. Call Sola Publishing at our toll free number: 1-888-887-9840 to order a subscription for your congregation!

What future plans does Sola have?

As a developing ministry, we will continue to add worship resources on a regular basis. The worship site will continue to expand with new liturgies, prayers, devotionals, etc. Now that the basic site has been developed, we are already planning for new additions to be released in the future!

This is where **you** can help develop the direction of the site by getting involved on the ground floor. Help us to make this site something that will be valuable for members of NALC, LCMC, CALC, Lutheran CORE, and many others who are looking for worship resources with integrity!

What will the subscription cost?

Since we are not packaging into our resource automated bulletin-making software and music licensing, Sola Publishing is able to offer its Resource Site at less than half of the price of Augsburg’s online *Sundays and Seasons*.™

YEARLY SUBSCRIPTION COST

Yearly online subscription prices are based on the average total worship attendance for a congregation or multi-point parish.

Weekly Attendance	Sola Online Resources	Compare Online Sundays & Seasons™	
		Basic	Deluxe
1-49	\$120	\$239	\$319
50-99	\$150	\$305	\$395
100-199	\$180	\$379	\$479
200-299	\$210	\$419	\$519
300-499	\$240	\$459	\$559
500-999	\$270	\$519	\$619
1000+	\$300	\$599	\$699

Comparing Apples to Apples ...

Were you to order separately the items equivalent to those provided by Sola’s Online Site, here’s what you would pay for a year:

Augsburg’s <i>Sundays & Seasons</i> Book	\$39.00
Spark Children’s Bulletins	\$31.96
CPH Downloadable Scripture Inserts	\$160.00
Dover Christian Symbols CD	\$13.99
TOTAL for the YEAR	\$245.99

With Sola, the average church can get similar resources and much more, for a significantly lower price!

But what if I need music licensing?

Congregations that need access rights to reproduce Augsburg materials can subscribe to *OneLicense* (www.onelicense.net), which not only provides rights for Augsburg liturgies, but for dozens of other publishers as well. The subscription price for Sola’s Worship Resource Site and *OneLicense* together are still less than the cost of the basic subscription to *Sundays and Seasons* alone!
