

# Calm Down

Today's Bible Story is from 1 Samuel 16:14-23

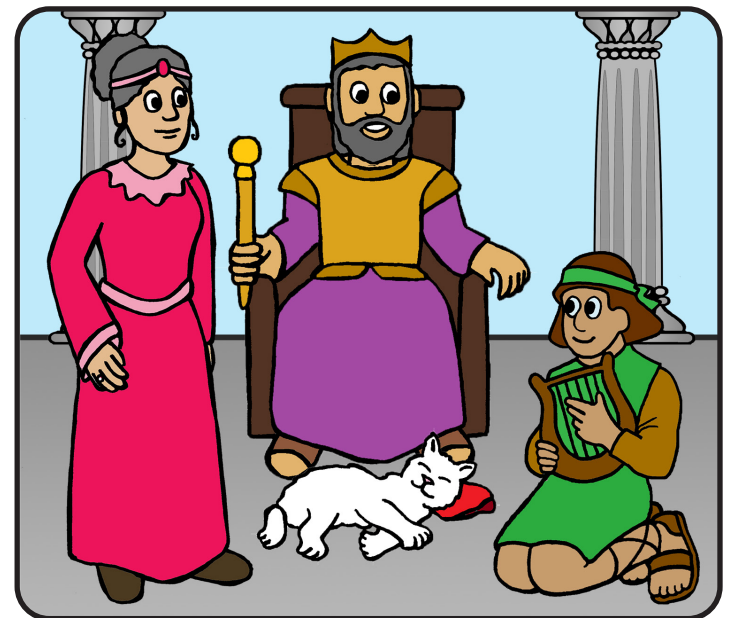

King Saul did not listen to God; he made many mistakes. Saul began to feel angry, sad, and worried. He was very upset.

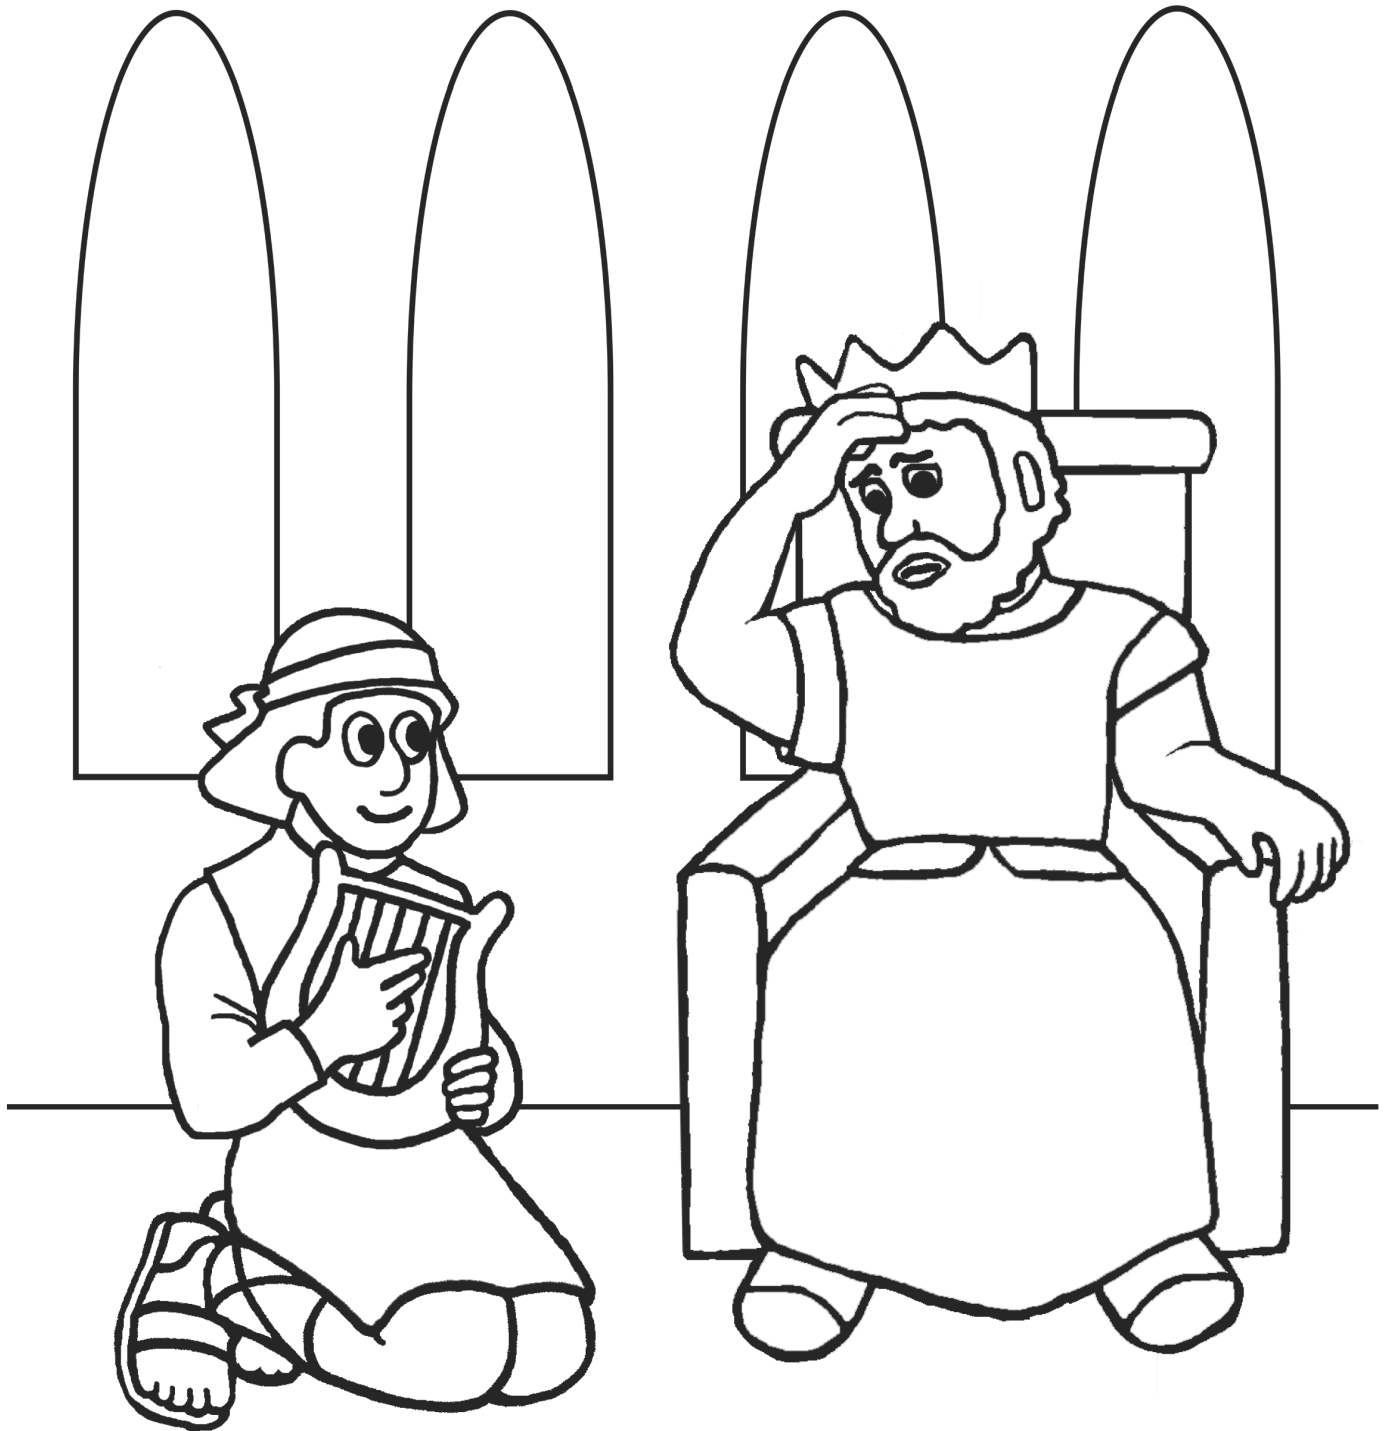

Saul's helpers wanted to cheer him up. They thought listening to music would make the King feel better.

A young boy named David knew how to play music on the harp. So David was brought in to play music for the king.

When David played his music, King Saul calmed down. He was no longer upset. David's music made King Saul feel better.
