

Jesus is Coming

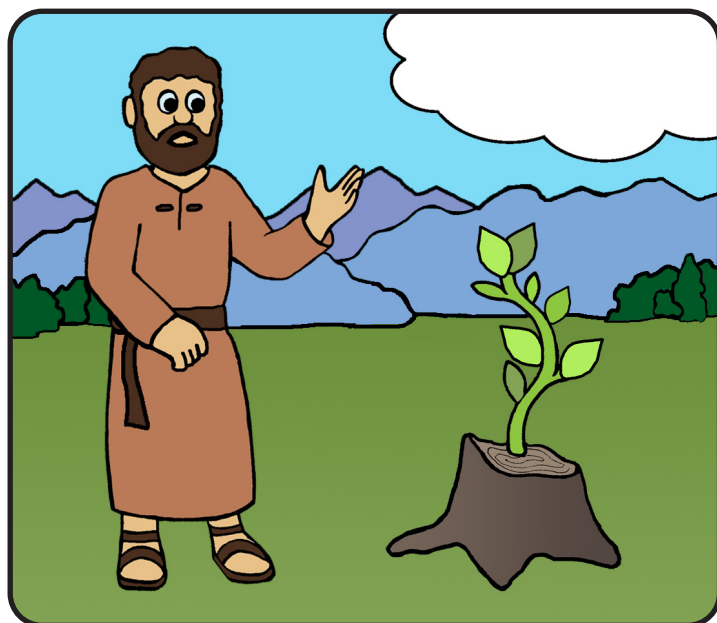

Today's Bible Story is from Isaiah 11:1-10

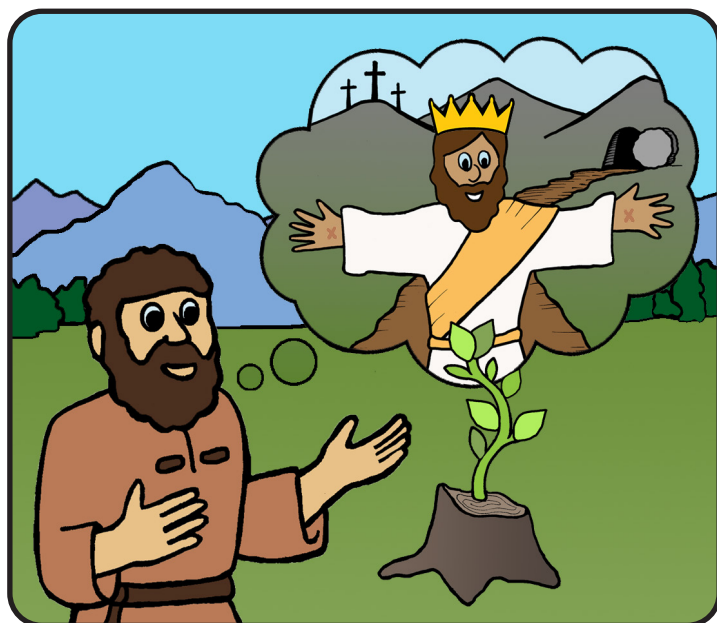

God chose Isaiah to be a prophet. God gave Isaiah a message he wanted everyone to hear about what was going to happen.

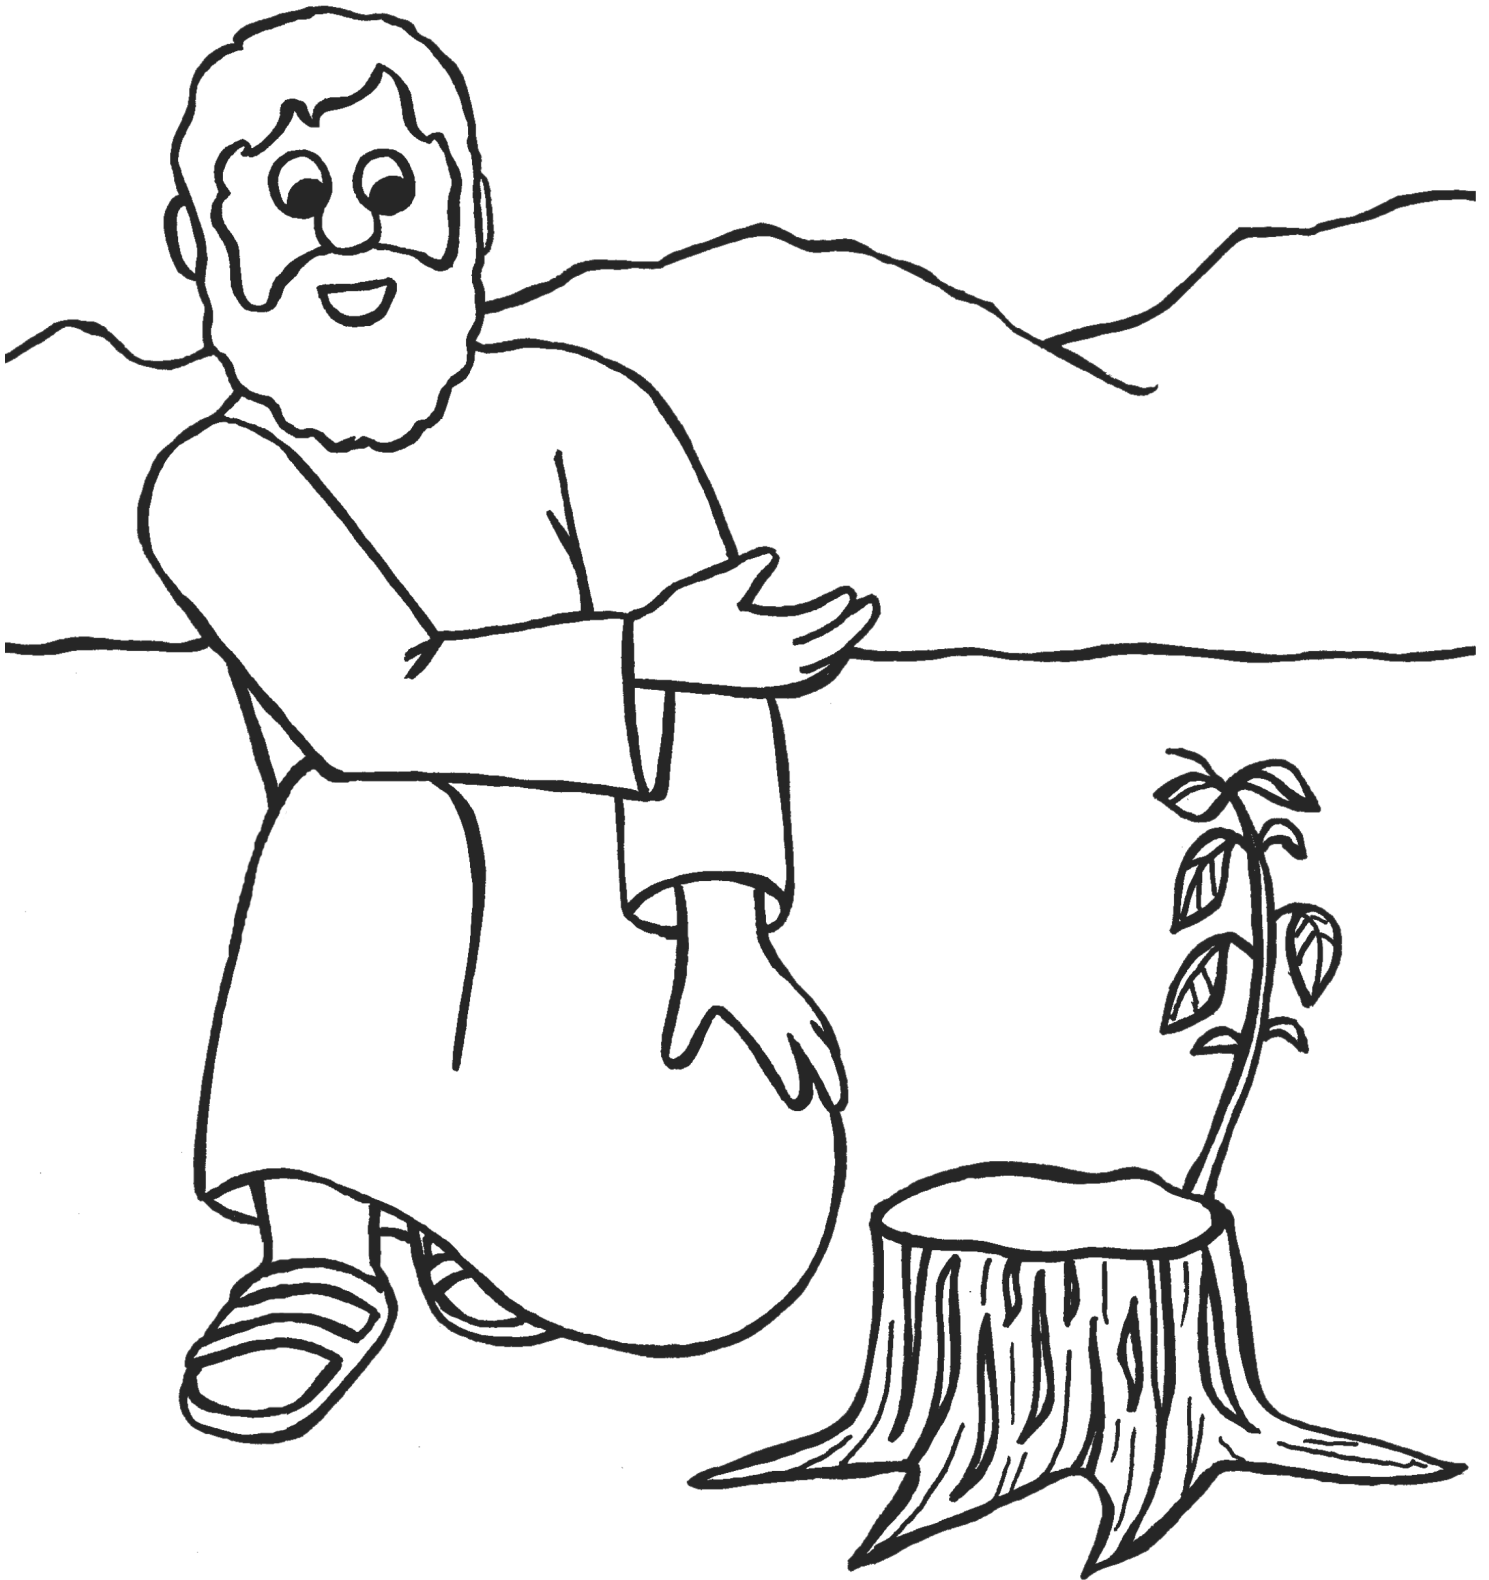

Isaiah told God's people, "Look at the stump of a tree that has been cut down. If you wait a while, new green leaves will start to grow."

Isaiah said, "Just like God brings new leaves from a dead stump, God is about to do something amazing and new for us!"

"God is going to send a great leader who will be our King," Isaiah told the people. Isaiah was talking about Jesus Christ!

Isaiah said: “Someone important is coming!”
