

Saying Goodbye

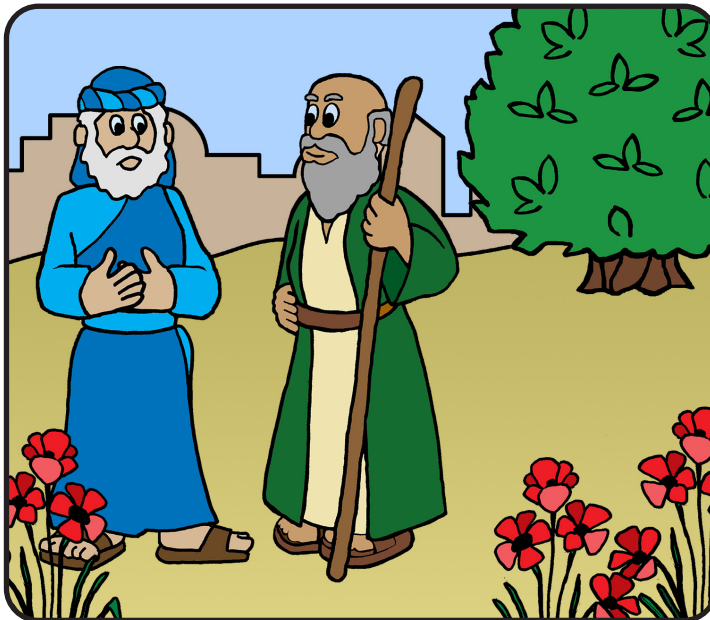

Today's Bible Story is from 2 Kings 2:1-14

Elijah was a servant of God. He had friend named Elisha, who was his helper. Elijah and Elisha went everywhere together.

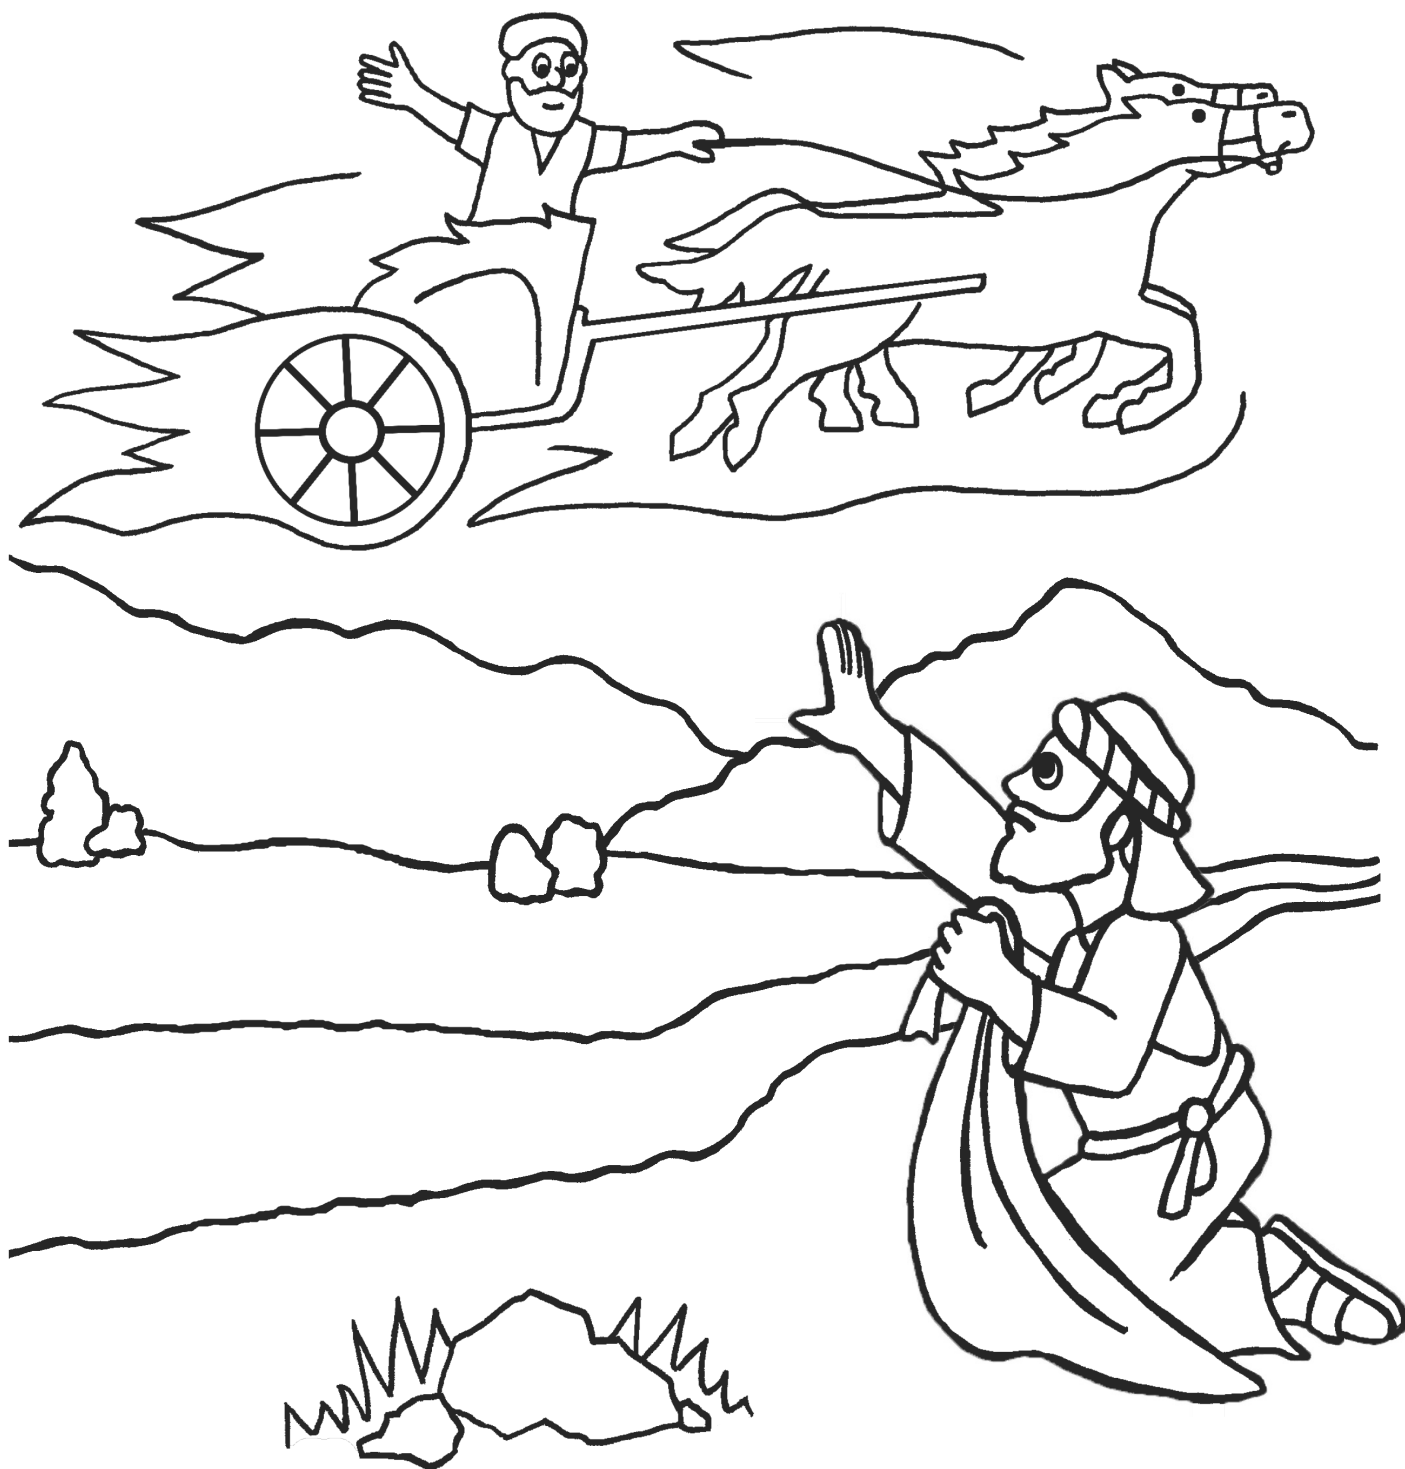

When Elijah was getting old, everyone knew that God would soon take him away. But Elisha said, "I will never leave you!"

Old Elijah asked what he could do for his friend. Elisha said, "I would like to have the power to do good things like you do."

Elijah promised, "When I am gone, God will give you power." Then suddenly, fiery horses came and lifted Elijah up into heaven.

Elijah was carried up to heaven.
