

Do What is Right

Today's Bible Story is from Esther 4:1-7

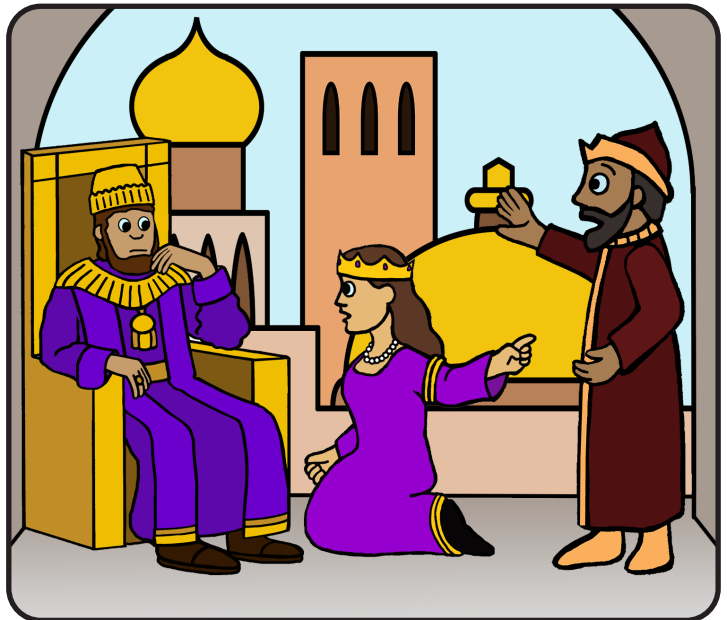

Esther had become the queen of Persia. She was good and believed in God. But a mean man named Haman didn't like God's people.

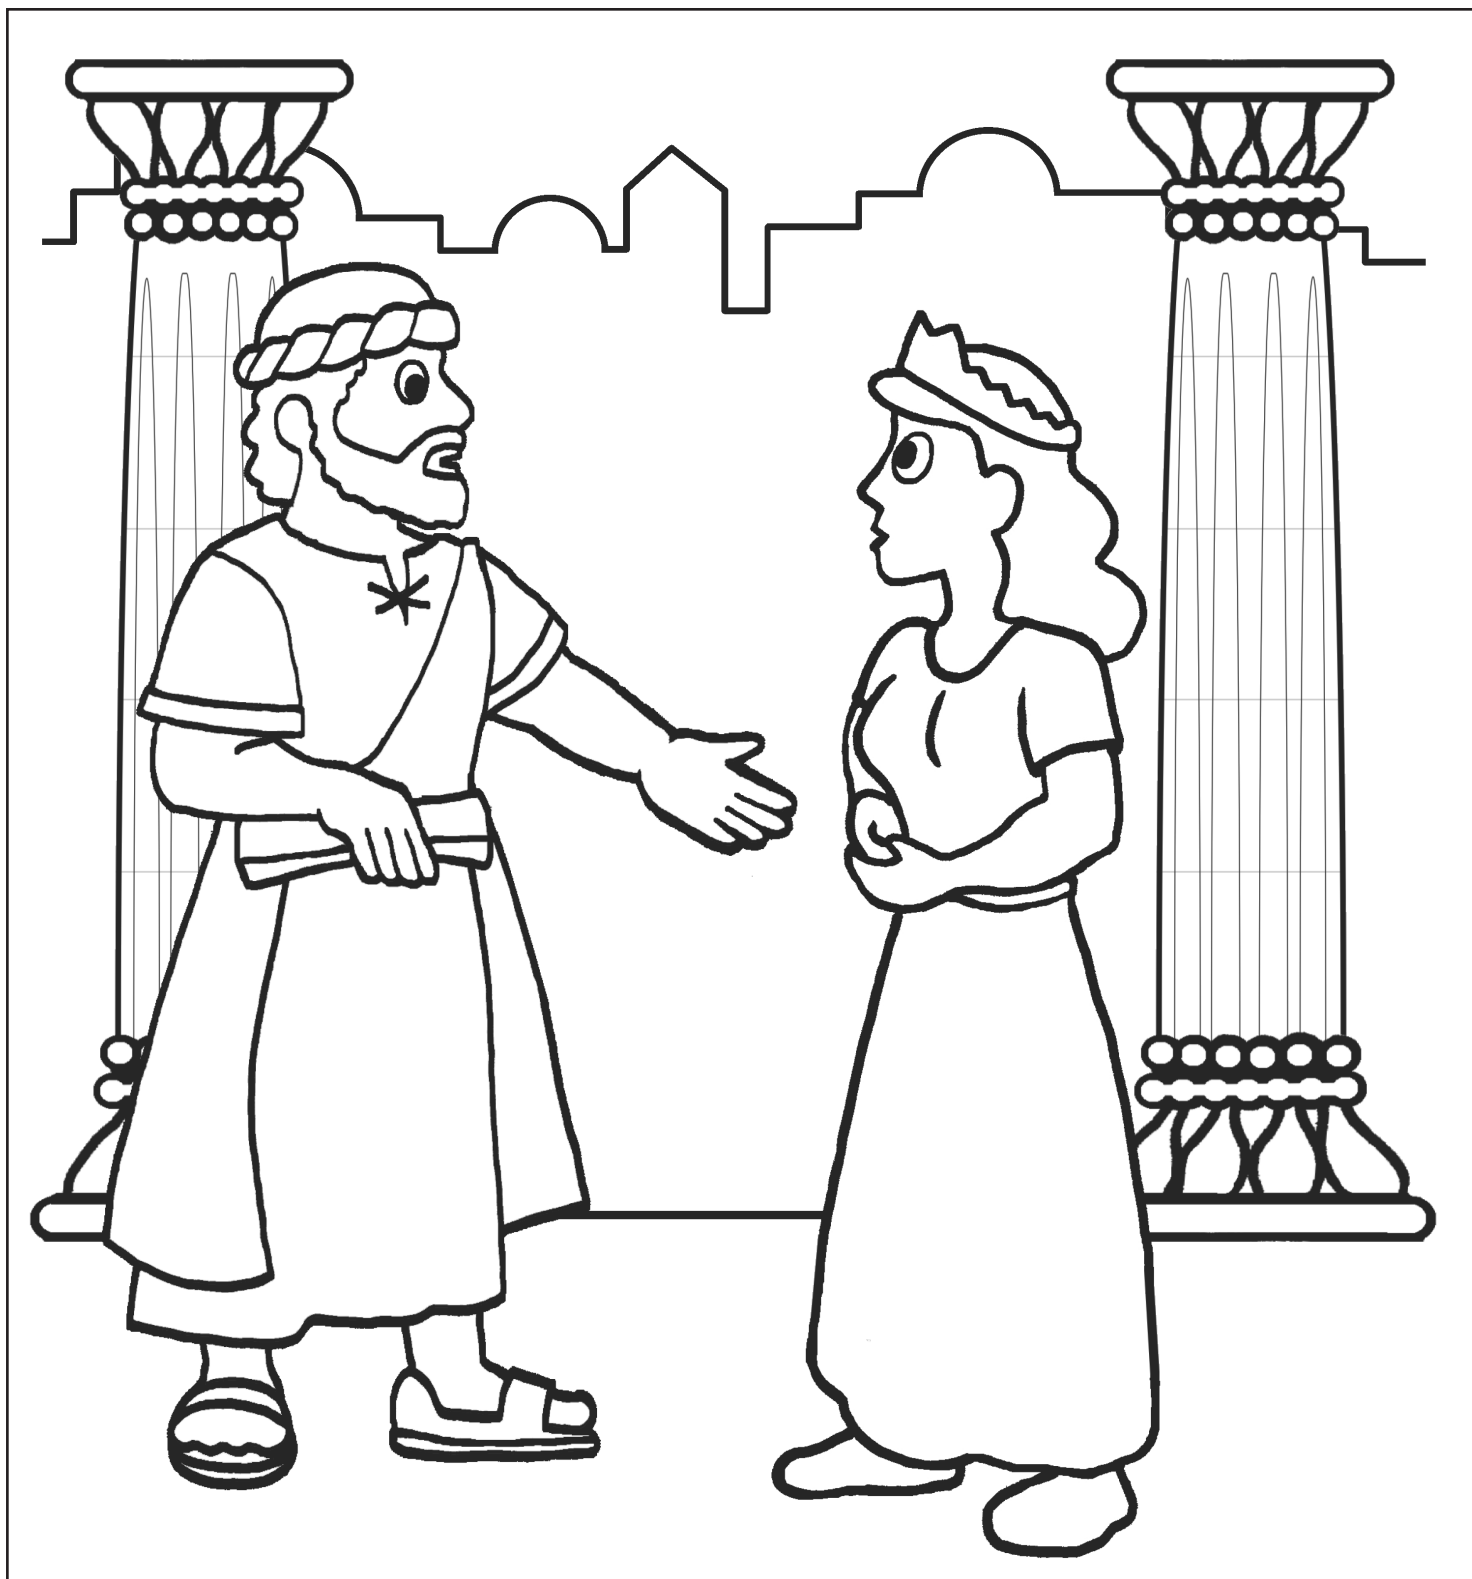

Esther knew that Haman wanted to get rid of all God's people. So she went to her uncle Mordecai to ask what to do.

Mordecai told Esther, "You must be brave and do what is right. This is why God made you queen. Go and tell the king."

Even though Esther knew she could get in trouble, she bravely went and told the king of Haman's plans. Esther saved God's people!

Esther needed to do what was right.
