

God Turns Us Around

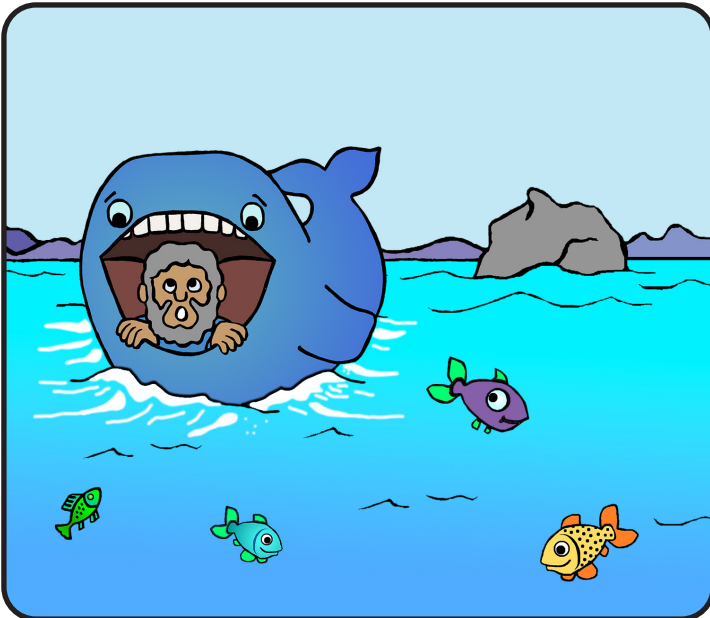

Today's Bible Story is from Jonah 1:1 - 2:3, 7-10

God wanted Jonah to warn people to stop doing bad things. But Jonah was scared. He ran the other way, and went to the sea!

When the sailors heard that Jonah had run away from God, they were scared. So they threw Jonah off their boat, into the water!

Jonah got swallowed by a big fish. For three whole days, Jonah was in the fish's belly. He prayed to God for help.

Finally, the fish spat Jonah out on dry land. He was so happy! He went to the city and warned people, just as God had wanted.

God brought Jonah back.
