

God Keeps Us Safe

Today's Bible story is from Genesis 6:5-22, 7:11-12, 8:1-4.

Things were going wrong in the world. People were bad! So God decided to start over. He told Noah that a flood was coming.

God told Noah to build a very big boat called an ark. When the floods came, Noah and his family would be safe on the ark.

God also told Noah to bring all types of animals into the ark so that they would also be saved. Animals came, two by two.

When the rains fell and the floods came, everyone who was in the ark was safe. God brought the ark to rest on a mountain.

Noah and his family were safe on the ark.
