

Ask God for Help

Today's Bible Story is from 1 Kings 3:3-15

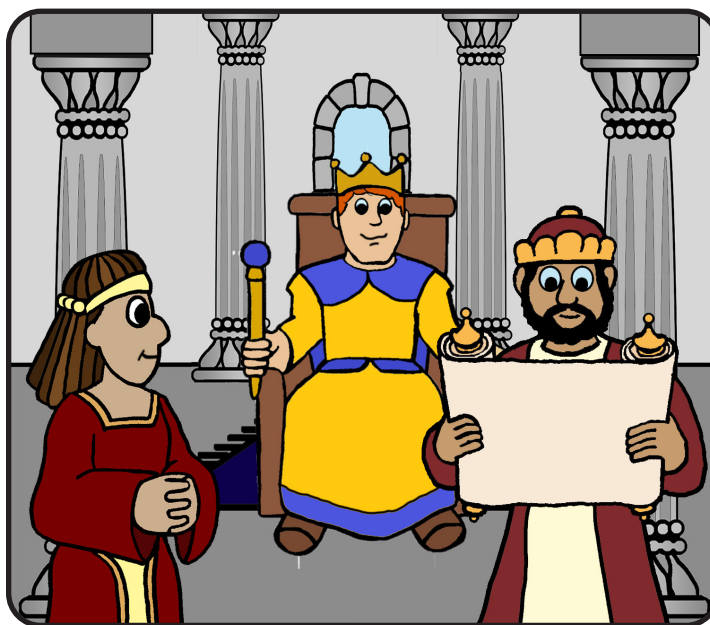

One day, long ago, King Solomon had a dream. In it, God said, "Ask me for anything you'd like me to give you."

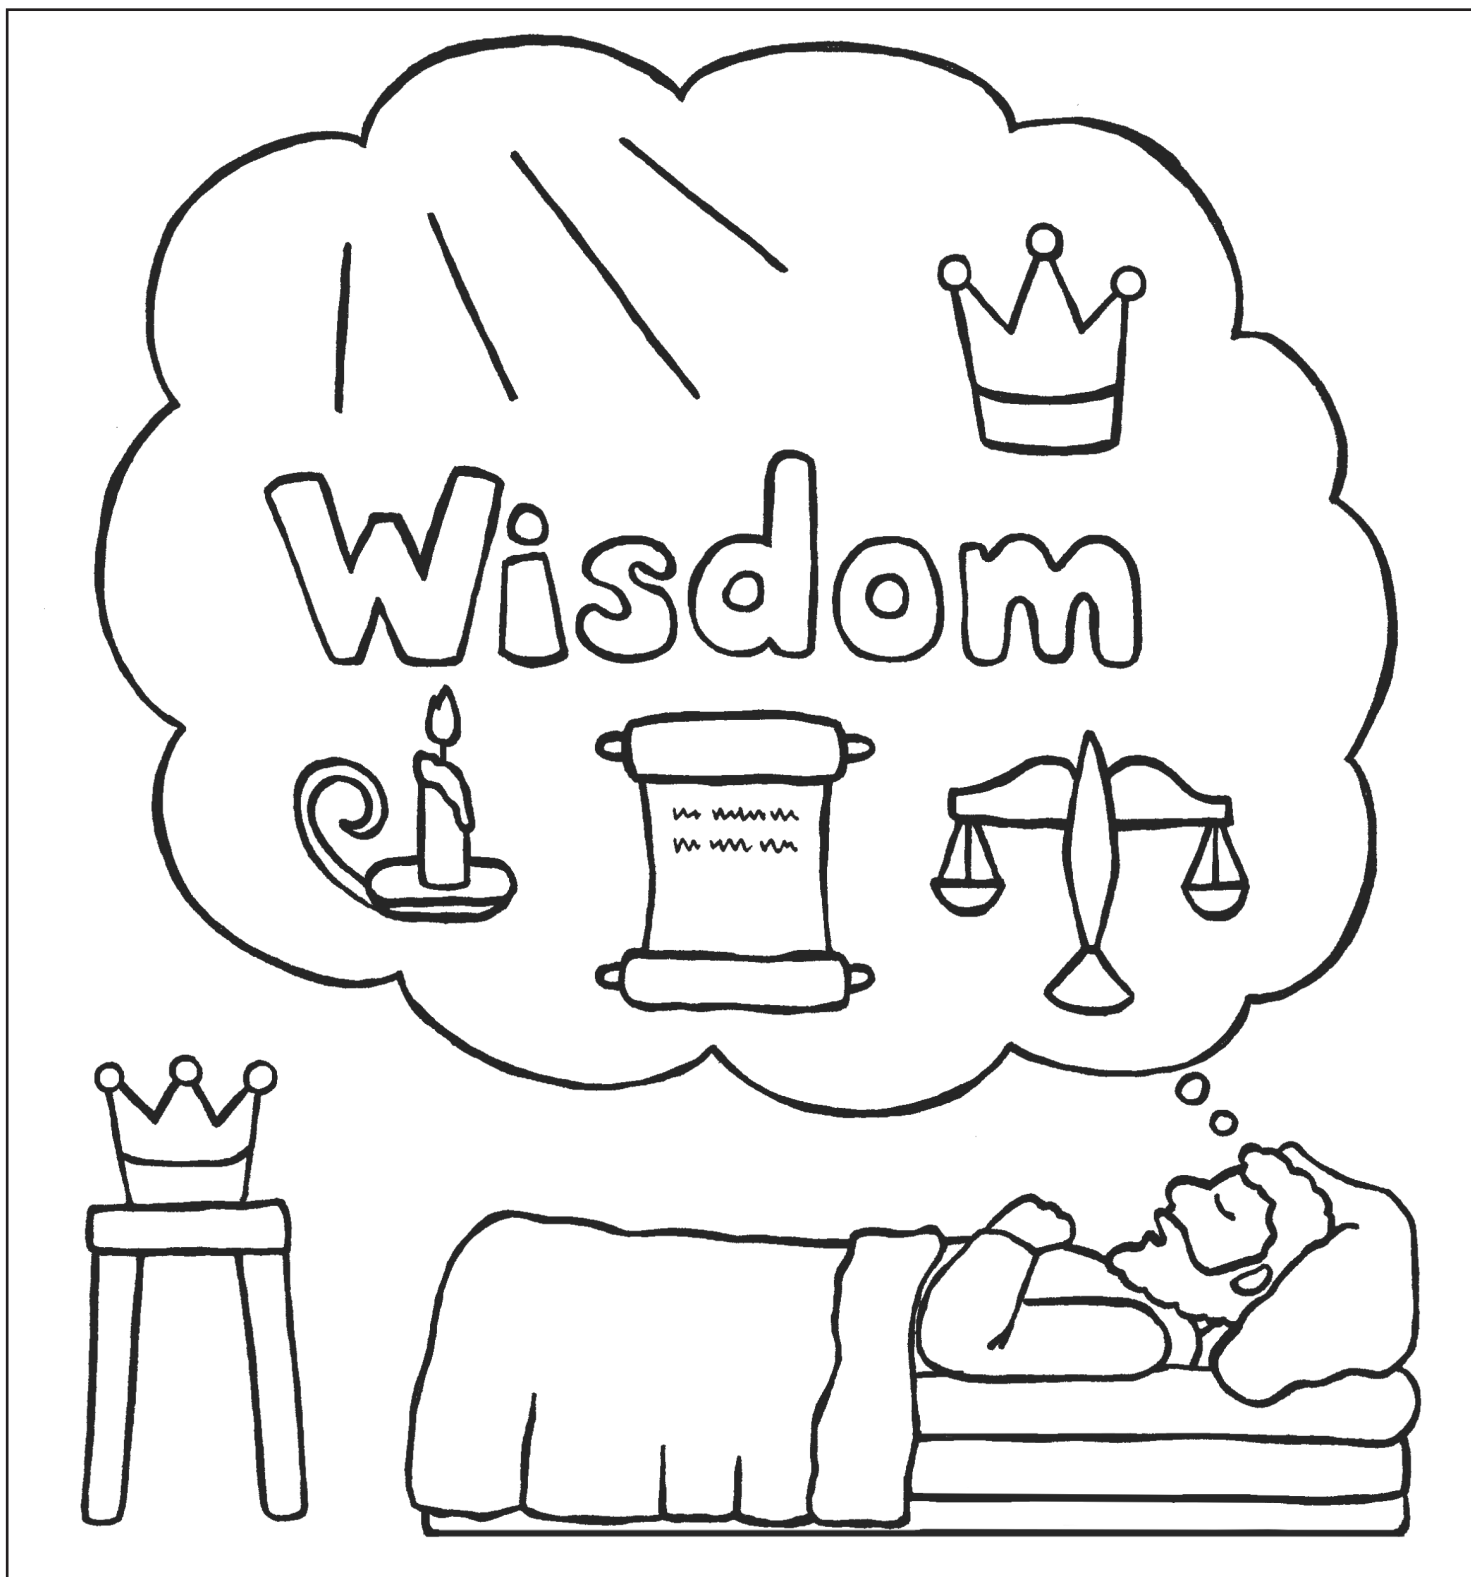

Solomon said, "O Lord, I am a young king. I want to serve you. Please help me know good from evil. Help me to be wise."

God was happy with Solomon. "You didn't just ask for riches or long life for yourself," God said. "I will answer your prayer."

With God's help, Solomon became a very wise king. He made good decisions and led his people well for many years.

King Solomon asked God to make him wise.
