

Put God First

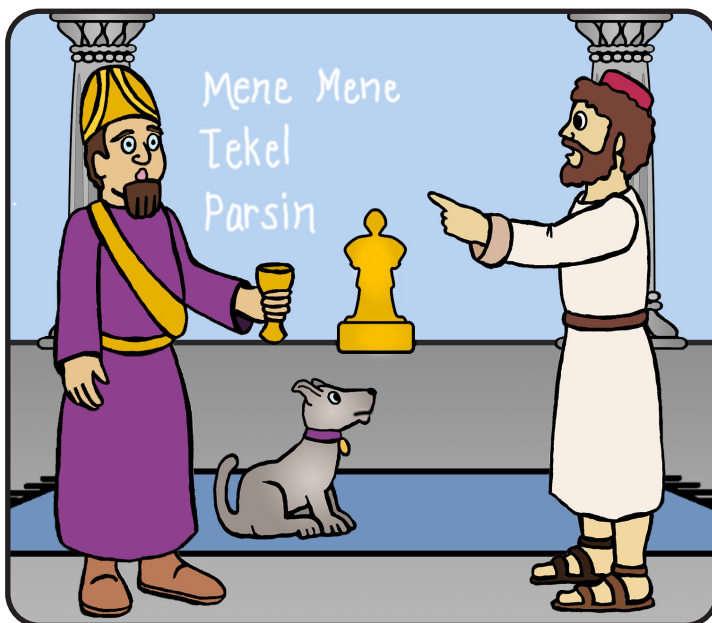

Today's Bible Story is from Daniel 5:1-30

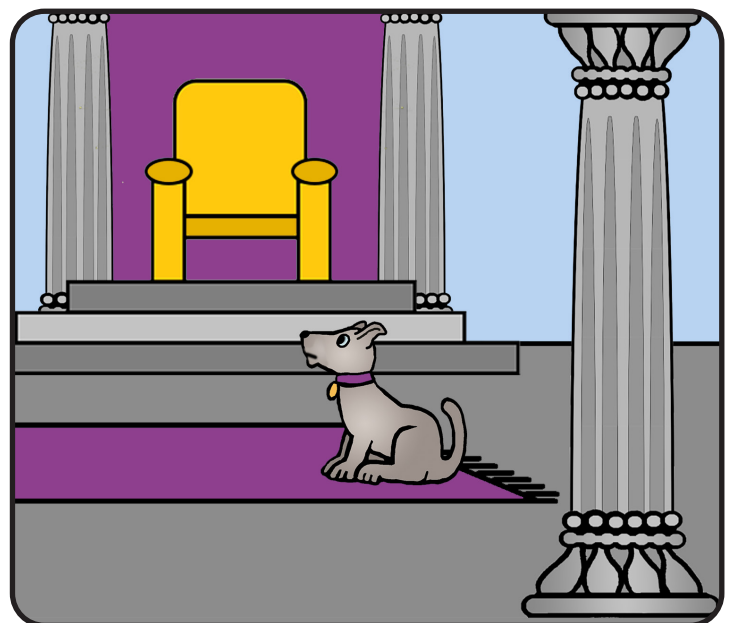

One day, the King of Babylon had a feast. He used stolen gold and silver cups from God's temple to serve wine to his guests.

The king and his guests praised many false gods as they drank. Then, all of a sudden, a large hand wrote several words on the wall!

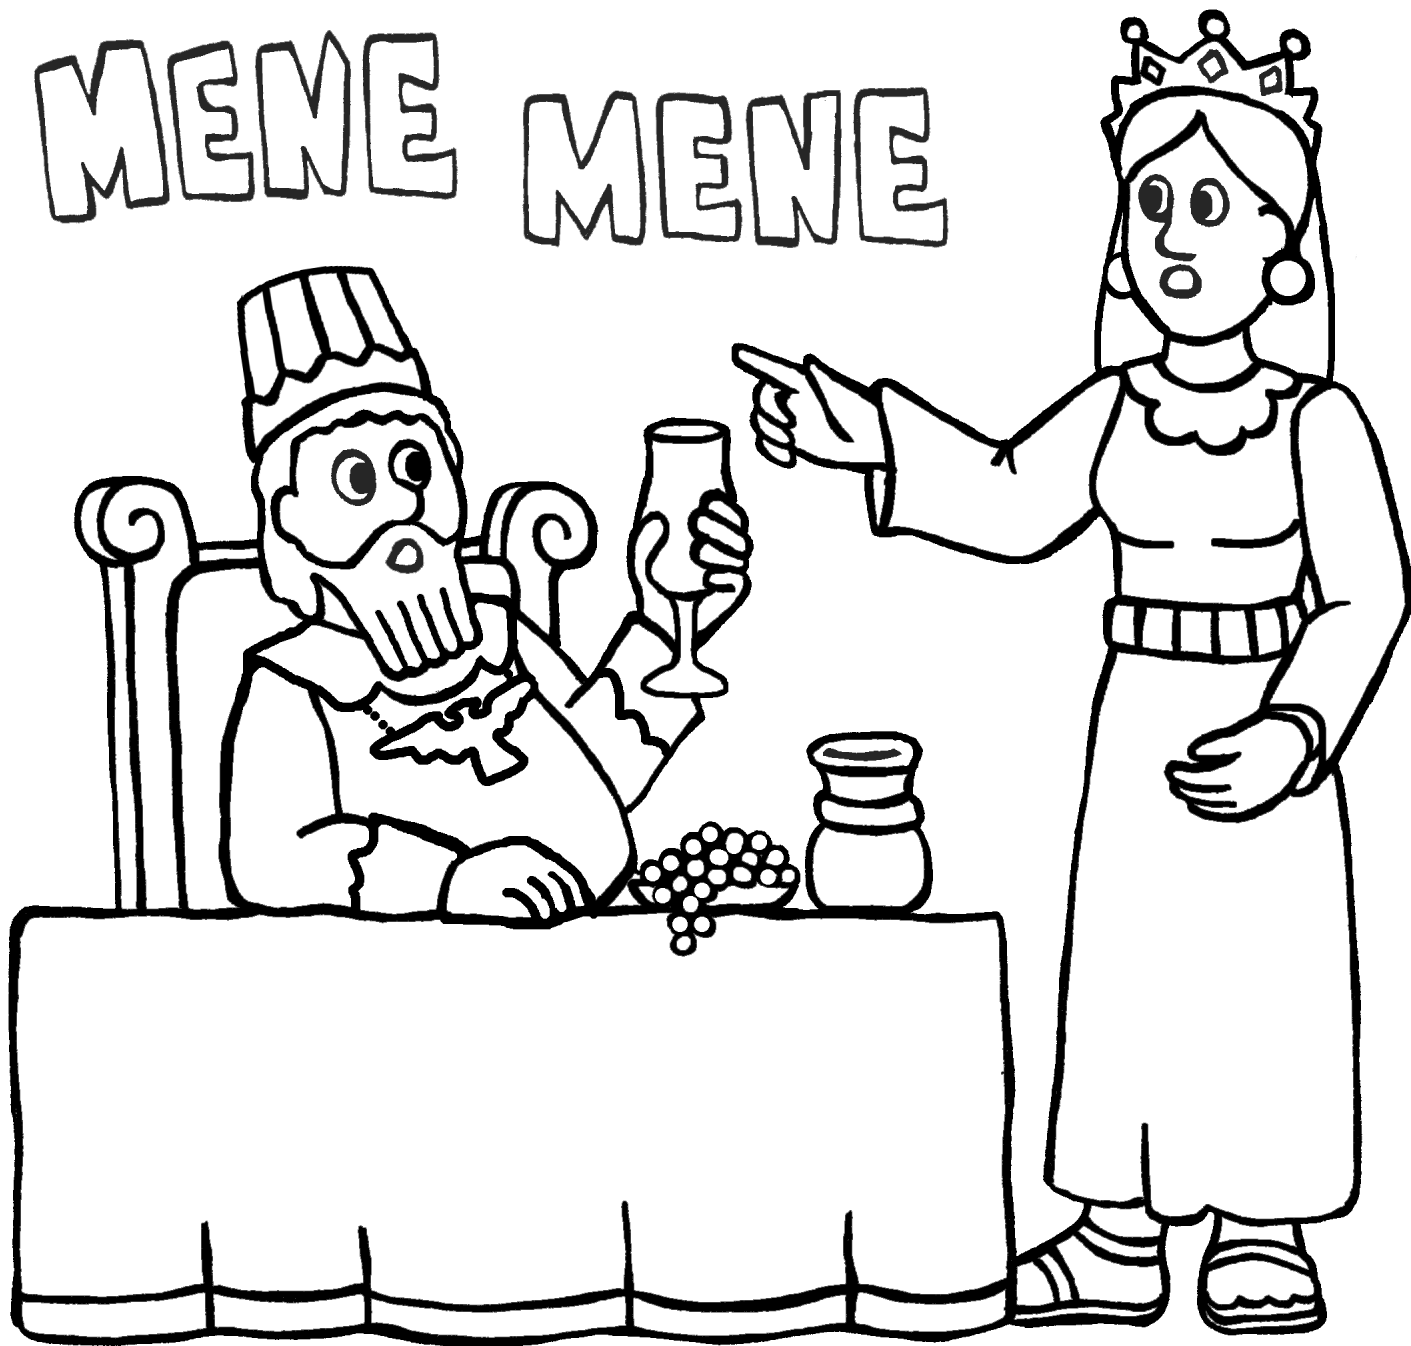

The king was scared. He asked a man named Daniel to tell him what the words meant. Daniel was a servant of God.

Daniel said, "You have not honored God, so you will no longer be king." Daniel was right. By the next day, the king was gone.

MENE MENE

The king did not honor God. But Daniel did.
