

Listen to God!

Today's Bible Story is from 1 Samuel 28:3-19

Saul stopped listening to God, so God chose a new king. When he had to do battle without God, Saul was afraid.

Saul prayed for help, but God didn't listen. Saul made a big mistake. He went to a lady who didn't follow God to get help.

Saul asked the bad lady to wake Samuel up from being dead so he could talk to him. She did. God and Samuel were not happy.

Samuel told Saul he wasn't listening to God, and God was not happy about it. He said, "You are not the king, so you will lose the battle."

Saul tried to contact Samuel, who was dead.
