

Praise the Lord!

Today's Bible Story is from 2 Samuel 5:1-5, 6:1-5, 16-22

King David got all the men together to take God's Ark back to Jerusalem. They put it on a new cart. It was heavy.

All the way to the city, David and the people danced and sang and played their instruments to praise the Lord.

They brought God's Ark to a special tent, and David gave gifts to the people. He gave them bread and meat and raisins.

David's wife was not happy that he was dancing with the people. He said, "I was dancing for the Lord and thanking him."

King David led a parade.
