

We Learn from God

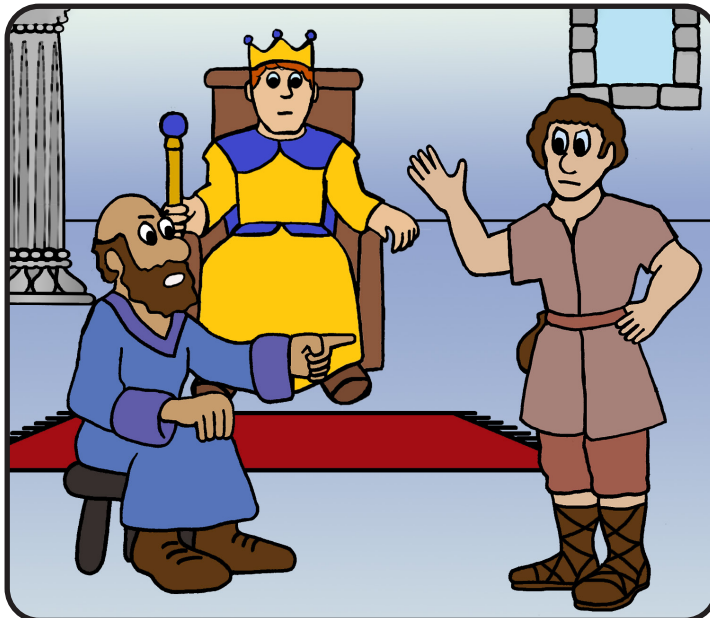

Today's Bible Story is from Proverbs 1:1-19

God made Solomon very wise. Many people would come to Solomon for help. He said, "Trust God more than yourself."

Solomon would tell children, "If you listen to your parents and do as they say, you will not get in trouble, and you will be happy."

Sometimes when people are mad they say mean things. Solomon says, "Mean words do not fix problems, but do hurt feelings."

Solomon also said, "Don't lie or hide from your mistakes. Tell people and God that you're sorry, and you will be happier."

The Bible teaches us wisdom.
