Message GOD TAKES CARE OF EVERYTHING! [Prepare the congregation to repeat this phrase when you hold up your hand.] No matter what it is, GOD TAKES CARE OF EVERYTHING he created, and he created everything. Think about all of the animals. [Show pictures of wild animals.] Does God give them food? Look at the giraffe! GOD TAKES CARE OF EVERYTHING. Clothes? Well, look at the tiger. Doesn’t it have a beautiful striped coat? What about the bird with its colorful flowers? GOD TAKES CARE OF EVERYTHING. What about a place to live? God gave them all of nature ot live in. Some in nests, some on the ground, some in a cave, and some in the water. God takes care of them! God loves us even more than he loves all the animals he created. We are special to him. If he gives those animals everything they need, what about us? Does he give us everything we need too? GOD TAKES CARE OF ME! Where do we get our food? [The grocery store? Where does it come from before it gets to the grocery store?] All of our food comes from nature, just like the animals, and who created the world? God! That’s right. God gave us plants and animals for food. GOD TAKES CARE OF ME! What about our clothes? [The store? Walmart? Old Navy?] Do you know what clothes are made of? [Show the pictures of cotton, silk, leather, and wool.] My shirt is made from cotton, which comes from a plant. GOD TAKES CARE OF ME! EVERYTHING we have comes from something God created for us. God takes care of us even better than he takes care of the animals! We never have to worry because, who takes care of you? GOD TAKES CARE OF ME! Let’s pray.
